

31ST PLAYING | OCTOBER 2023

THE
CAMERON
MEMORIAL

Benefiting Ronald McDonald House Charities of Southern Colorado

WELCOME

FROM OUR EXECUTIVE DIRECTOR BETH ALESSIO

It is with great enthusiasm that I welcome you to our 31st Annual Cameron Memorial Golf Tournament!

We have such a rich history of support from so many of you who have made our golf tournament a must-play event. It often feels much like a reunion and we are thrilled to have many of you back again this year!

The Cameron Memorial Golf Tournament was named after Brent and Marcie Cameron, who were pioneers in developing McDonald's relationships overseas.

They "retired," moved to Colorado Springs and operated the majority of McDonald's restaurants in our community. The Camerons were strong supporters of our Ronald McDonald House.

Marcie was known to help with holiday events and cooking meals, and as a couple advocated for support on our behalf throughout the community. With their love for the Colorado mountains, tragically, their lives were taken suddenly in an avalanche. McDonald's Operators Leroy Schmidt, Dave Napier, Sr, and Steve Bigari, amongst others, wanted to keep their spirit of giving and support to those in need alive, and thus, our golf tournament began.

Now 31 years later, the Cameron Memorial Golf Tournament brings together businesses and individuals from Colorado and beyond, and extends beyond the McDonald's long-standing partnership to include numerous industries. In this program you will find a list of all that join you today – many who have supported us over the years and some new faces too. We welcome you all and thank you for spending the day with us to raise awareness and funds for those in dire need; our critically ill children and their families that are a part of Ronald McDonald House Charities of Southern Colorado.

It is because of you, our supporters, that our Golf Tournament took Gold in the Colorado Springs Business Journal as "Best Nonprofit Event!" We are honored for the award, and we are honored for your support.

Enjoy this wonderful fall day at this beautiful venue – and again, thank you for being a part of the magic that happens at Ronald McDonald House Charities of Southern Colorado!

With much appreciation,

Beth

OUR CHARITY

OUR MISSION

Ronald McDonald House Charities of Southern Colorado (RMHCSC) keeps families and their critically ill children close to each other and provides the care and resources they need, when they need it most.

RONALD MCDONALD HOUSE

At 25,000 square feet, the fully accessible Ronald McDonald House® provides a warm, safe, clean and friendly home-away-from-home for families in need. We serve approximately 750 families annually.

RONALD MCDONALD FAMILY ROOM

Located in Children's Hospital Colorado, Colorado Springs, our Family Room ensures families of pediatric patients remain just footsteps away from their sick child's bedside, allowing them to rest and rejuvenate. We serve approximately 1,200 families annually.

Thank You!

The Course

Photography: Captain Dan

A turn of the century stagecoach stop, the Perry Park Country Club was established in 1969. The golf course, designed by Dick Phelps, was originally built as a 9 hole course which later expanded to 18 holes. The golf course is now the centerpiece of the Perry Park community which draws visitors to the area's unparalleled beauty.

This Is Why We Play Today!

"Words can't describe how thankful we are for everything you all do. From those who run the House, to the volunteers who pour their heart into it, to the social workers that come to you during the darkest & most terrifying times, I can not thank each & everyone of you enough. My daughter was transported to Children's Hospital Colorado, Colorado Springs, NICU from Parkview medical center. I was so worried about how we would manage commuting and still being close to her. RMHC made it possible. You are all blessings to families like mine. To be able to still remain within walking distance to our daughter means the world to us. Thank you, thank you!"

A Home Away From Home Where Families Are Always Welcomed

As one of the nation's top pediatric hospitals, families travel to Children's Hospital Colorado from across the country and around the world.

When they arrive, Ronald McDonald House is there to provide temporary housing just minutes from the hospital. Working together, we've established a convenient and comfortable residence so that families from far away can remain close to each other.
